

# Responding to Large Projects

# Large Project Meeting

- ❑ **Members have 2 business days to respond** to the Large Project Meeting with one of the following response codes:
  - ❑ 10A – Meeting Date/Time Accepted
  - ❑ 10B – Meeting Date/Time Rejected
  - ❑ 10E – Will not attend meeting – Not service provider for this location
  - ❑ 10F – Will not attend meeting – Clear, no facilities
- ❑ **Late Notices:** If a member does not respond to the Large Project Meeting Notice by the respond by date, they will receive a Late Notice. If the member does not respond to the Meeting Notice by the meeting **date** and **time**, they will no longer be able to respond to the Meeting Notice. They will receive an LP02 system response when the Large Project Excavation Notice is generated at midnight.

# After the Meeting

1. The meeting ticket expires after the meeting at midnight.
2. A Large Project Excavation is created.
3. Member responses from the meeting are updated:
  - ❑ **10E (Will not attend meeting – Not service provider for this location) becomes:**

LP05 – Large Project: Not a service provider, to the Large Project Excavation for the member.
  - ❑ **10F (Will not attend meeting – Clear, no facilities) becomes:**

LP06 – Large Project: Clear, no facilities, to the Large Project Excavation for the member.

# Responding to the Large Project Excavation

All other members have 2 business days to respond to the Large Project Excavation with:

- ❑ 10C – Agree to treat as a Large Project – Agreement Signed
- ❑ 10D – Disagree to treat as a Large Project – will mark in accordance with 25-9-6
- ❑ 10G – Not service provider for this location
- ❑ 10H – Clear, no facilities

# System Updates

The system will update the responses after the response due date:

- ❑ **10C becomes:** LP01 – Mark as agreed
- ❑ **10G becomes:** LP05 – Not a service provider
- ❑ **10H becomes:** LP06 – Clear, no facilities
- ❑ **10D becomes:** LP02 – Mark in accordance with 25-9-6 and resends the Large Project Excavation to the member
- ❑ **No member response becomes:** LP02 – Mark in accordance with 25-9-6 and resends the Large Project Excavation to the member

# Marking the Large Project

- ❑ Members that **agree** to treat as a Large Project will:
  - ❑ mark per the signed marking agreement from the Excavator.
  - ❑ not need to respond in the ticketing system to (PRIS) again.
- ❑ Members that **disagree** to treat as a Large Project or did not respond will:
  - ❑ see the System Response LP02 when viewing the ticket in PRIS and will receive an additional copy of the ticket.
  - ❑ have two business days to respond to the Large Project Excavation with a 1-8 response code.

# Updates/Renewals

A new Large Project Excavation notice will be sent to all members when an update/renewal is made.

- ❑ **If a member had a system response of LP01, LP05 or LP06 on the previous ticket:**
  - ❑ Those responses will be carried over to the new Large Project Excavation.
  - ❑ The member will continue to mark per the marking agreement and no further response to Georgia 811 is required.
  
- ❑ **If a member had a system response of LP04 on the previous ticket:**
  - ❑ A LP02 system response will be added.
  - ❑ The member will need to respond using a response code 1-8.
  
- ❑ **If a member was not on the previous Large Project Excavation:**
  - ❑ A LP02 system response will be added.
  - ❑ The member will need to respond using a response code 1-8.
